

List of reference symbols

1	Substrate
2	Semiconductor element, transistor
3	Pad metal
4.x	Metal layer`
4.x.z	Interconnect
5.y	Insulation layer
6	Via
7.x	Aperture
8	Passivation
D1	Thickness of the top insulation layer 5.y
D2	Thickness of the top metal layer 4.x
D3	Thickness of the pad metal 3
A	Spacing between two interconnects 4.x.z
B	Width of an interconnect 4.x.z
F	Surface of the pad metal 3
